Dear Guest!

We are happy to welcome you in our Guesthouse.

Let us be your host and take care of you, while you enjoy the beautiful panoramic view.

Whether for lunch or afternoon-coffee, our intention is always to serve you only the best.

For our home-baking we use only the best ingredients.

This, of course, also applies to the speciality of the house:
The "Windbeutel" (= Giant Puff), which we bake fresh daily and which is served in different variations.

A confectioner from Berlin, who was closely connected to our house, passed the original recipe of this – formerly Prussian – pastry on to us over 50 years ago.

Since then our Guesthouse is called Graflhöhe "Windbeutelbaron".

You're thinking of planning your birthday, an anniversary, a First-Communion, a confirmation, a christening, a company dinner or any other kind of festivity?

The Graflhöhe offers the appropriate location with its ambience, panoramic view, cuisine and the perfect & friendly service.

Just let us know your wishes – we have the ideal rooms and take care of the organization.

Our experienced Team will assist you with the preparation of your festivity as well as choosing the appropriate delicacy – from a traditional Bavarian "Brotzeit" up to a high class gala dinner with several courses.

For groups beginning from 25 guests (menu must be chosen) we also open our restaurant in the evening exclusively for you.

We are happy to assist you!

Hansi and Christine Ebner

We wish you a pleasant stay in our guesthouse and thank you for your visit!
